

“I now extend to you the invitation to help transform the trickle into a flood...I exhort you to sweep the earth with messages filled with righteousness and truth—messages that are authentic, edifying, and praiseworthy—and literally to sweep the earth as with a flood.”

-Elder David A. Bednar, *To Sweep the Earth as with a Flood*  
BYU Education Week, August 18, 2014

## Sharing the Gospel Social Media Challenge

Instructions: Over the next week, complete the following tasks and use social media to help “sweep the earth as with a flood.”

- Select a quote from the scriptures or a leader of the Church (short is best). Find a photo that would make a good background for the quote and create the image using an app like Picmonkey or Canva. Share the quote on social media.
- Upload a picture of your favorite temple to your social media site of choice.
- Share a link to your favorite Latter-day Saint-themed news article on Twitter or Facebook. Include hashtags. Find articles on <https://newsroom.churchofjesuschrist.org>.
- Share a photo of your family or yourself with a family member on Instagram and add the hashtag #familiesareforever.
- Add a positive comment on a Facebook post of someone who is currently serving a mission.
- Find an uplifting quote on the Facebook page of [www.thirdhour.org](http://www.thirdhour.org). DM the quote to someone who you feel might benefit from it.
- Share a link to a website about one of your ancestors (or even the country they were from) and use the hashtag #familyhistory , #familytree or #genealogy.

CONGRATULATIONS! YOUR “TRICKLE” IS HELPING CREATE A FLOOD OF GOODNESS! KEEP IT UP!
